

D'Anna Stracuzzi

D'Anna Stracuzzi, nicknamed "Giggles," is a truck driving beauty queen. Now 18, she was crowned Miss Martin County at 16, and was the first queen to make more than 100 appearances speaking to young girls about staying true to themselves. She tells of her experiences dealing with bullies at age 11 and 12. "I was never beautiful," Stracuzzi says. But, "The ugly duckling turns to the beauty." As a former member of 4-H and a religious individual, Stracuzzi wears many figurative hats, and she loves that unique aspect about herself.
